

Article 27

Miscellaneous Benefits and Expense Reimbursements

Section 1. Retirement Benefits

By virtue of state employment, bargaining unit employees are members of the State Employee's Retirement System, which the parties recognize is regulated entirely by statute. It is not the intent of the parties to alter retirement regulations or entitlements through this contract.

The Employer agrees to supply unit employees with a current copy of the information booklet published by the State which describes the retirement system, upon individual employee request.

Section 2. Tuition Reimbursement

Only to the extent that funds have been legislatively appropriated and allocated by the departments, specifically for tuition reimbursement, the Employer agrees to establish a system of tuition reimbursement for employees. The Employer agrees to notify UTEA upon request of the amount of money allocated by Department for such purpose and of any changes in such allocation.

Reimbursement shall apply only to the per credit hour cost of tuition and lab fees but shall not apply to miscellaneous fees, books or supplies. Selection among eligible applicants, and proportion of reimbursement shall be determined by the Employer. Employees selected for such tuition reimbursement program shall be reimbursed upon presenting written documentation of successful completion of the course.

Tuition reimbursement shall not be made unless the course pertains to the employee's current occupation. No employee shall receive reimbursement for more than one course in any one semester or term, except that employees in the Department of Transportation shall be reimbursed in accordance with provisions of DL-1650.03ER, dated 9/1/88.

The procedures to be used for application, approval and verification of successful completion shall be established by Departments. The Employer agrees that any system adopted will attempt to treat similarly situated employees fairly.

The provisions of this Article shall not apply in those cases where the Employer requires employees to take a course(s) as part of their assigned duties.

Section 3. Travel and Moving Expense Reimbursement

- A. Those employees covered by the State Standardized Travel Regulations, shall be reimbursed for travel expenses in accordance with the Standardized Travel Regulations and implementing rules which are in effect on the date(s) of travel.

Departmental exceptions previously granted to the Standardized Travel Regulations shall be applicable, unless expressly altered in this Agreement. In those situations where the Employer has not secured the lodging for an employee, employees shall make a reasonable effort to secure lodging at the rates specified below. However, if an employee has not been able to secure lodging at the specified rate, such employee may request reimbursement for the actual amount. Departments shall not unreasonably deny such reimbursement requests nor shall departments unreasonably delay processing the reimbursement.

Such expense is reimbursable as a regular item of travel expense provided a State vehicle is requisitioned and used on the same day or days.  - (3) In the event an employee regains eligibility for travel subsistence expense reimbursement (first 60 day rate) under paragraph #2, the employee's "new" TWS will be considered an "original" TWS for the purposes of eligibility for travel expense reimbursement under the first 60 day rate.
 - (4) Any point (TWS) at which the employee is eligible for travel subsistence reimbursement (first 60 day rate) is an "original" TWS.

EXAMPLE: Employee's home and official work station is in Clare:
